

Can you imagine being sued for trying to protect something irreplaceable?

PUBLIC MEETING

**Tuesday Oct 25th 7pm
St Mary's Hall
Nicholson St
Bairnsdale**

FORESTS & FREE SPEECH

The Tasmanian Forest Defenders invite you to hear about their extraordinary fight to save Tasmania's old growth forests and how they have been sued for more than \$6 million by Gunns Ltd – Australia's largest export woodchip company.

A NATIONAL TOUR

Learn how a landmark legal case may forever change the face of free speech and community participation in Australia.
