

# Can you imagine being sued for trying to protect something irreplaceable?

## **PUBLIC MEETING**

**Monday Dec 5 @7pm  
Centre for Sustainable Living  
South Coast Highway  
Denmark**

### **FORESTS & FREE SPEECH**

The Tasmanian Forest Defenders invite you to hear about their extraordinary fight to save Tasmania's old growth forests and how they have been sued for more than \$6 million by Gunns Ltd – Australia's largest export woodchip company.

### **A NATIONAL TOUR**

Learn how a landmark legal case may forever change the face of free speech and community participation in Australia.
